Para abrir la Multimedia “El paso a paso del trabajo cooperativo/colaborativo” siga las siguientes recomendaciones:

1. Descargue el archivo “multimedia UdeM.zip”

The screenshot shows a digital repository entry. At the top, the title "El paso a paso del trabajo cooperativo/colaborativo" is displayed. Below the title is a thumbnail image. To the right of the thumbnail is a "Resumen" (Summary) section. Below the thumbnail, the file name "multimedia UdeM.zip (144.9Mb)" is listed, and it is circled in red. Below the file name are social media sharing icons for LinkedIn, WhatsApp, Facebook, Twitter, and Messenger. Further down, the "Fecha" (Date) is 2017-07-30, and the "Autor" (Author) information is provided. On the right side, the "URI" is <http://hdl.handle.net/11407/5857> and the "Colecciones" (Collections) section lists "Multimedia [1]".

2. Extraiga el contenido del archivo comprimido, dando clic derecho en el archivo descargado, y luego clic en extraer todo.

The screenshot shows a Windows File Explorer window with the "Descargas" (Downloads) folder selected. A context menu is open over the file "multimedia UdeM", which is a compressed folder (148,443 KB). The "Extraer todo..." option in the context menu is circled in red. Other options in the menu include "Abrir", "Abrir en ventana nueva", "Compartir con Skype", "Anclar a Inicio", "Edit with Notepad++", "Examinar con Windows Defender...", "Compartir", "Abrir con...", "Conceder acceso a", "Restaurar versiones anteriores", and "Enviar a".

3. Seleccione la ruta donde desea extraer el contenido de la carpeta comprimida y de clic en “Extraer”

The screenshot shows a Windows File Explorer window with the "Descargas" folder selected. An extraction dialog box titled "Extraer carpetas comprimidas (en zip)" is open. The dialog box prompts the user to "Seleccionar un destino y extraer archivos" (Select a destination and extract files). The text "Los archivos se extraerán a esta carpeta:" (Files will be extracted to this folder:) is followed by a text box containing the path "C:\Users\usuario\Downloads\multimedia UdeM" and an "Examinar..." (Browse...) button. There is a checked checkbox for "Mostrar los archivos extraídos al completar" (Show extracted files when complete). At the bottom of the dialog box, there are "Extraer" (Extract) and "Cancelar" (Cancel) buttons.

4. Una vez tenga la carpeta extraída, debe abrirla dando doble clic sobre ella, busque el archivo “MULTI” y ejecútello, de esa forma podrá acceder a todo el contenido, multimedia, textos, videos, etc.
